

## NM QSO Party

## The Articles for This Month

### May Board Meeting

The latest board meeting was held in person on May 4 at the club house. There was a full agenda so a lot of items were discussed. It was noted that there were about 74 paid up members which is the “breakeven” number needed for a good club. The finances of the club are passable, The coming May 28 swap meet was discussed, particularly the best way to sell the equipment in the storage shed, It will all be taken out so that nobody need to go inside.

### April 9 NM QSO Party.

The club took an active part in the NM QSO Party which was briefly discussed. The big item was the clubhouse vertical incidence antenna built for the QSO Party by WA5DJJ. It worked quite well and was taken down after the Party because it took up quite a bit of ground space. The logs for the contest have all been submitted, The results are to come because extensive cross-checking of the logs is yet to be finished. Come to the meeting on Saturday to learn more.

# Saturday May 28

## MVRC Swapmeet/Tailgate

<https://www.n5bl.org/>

6609 Jefferson Ave

7AM to 12 PM

VE Testing 10AM

Free Admission and Setup

Coffee and Donuts sale

## CLUB INFORMATION

The MVRC Clubhouse is located at the intersection of Wilt and Jefferson. To find the clubhouse, set your destination on your GPS receiver as 32 degrees 22.961 minutes and -106 degrees 41.44 minutes. If you don't own a GPS, take the Porter exit near the firehouse on US 70. It is about 5 miles east from the I 25 interchange. Go south on Porter until you come to Jefferson. There turn left toward the mountains and go to Wilt. You will see the beam on the corner. The treasurer would be delighted to receive your contribution for landscaping and furnishing. More information at <http://n5bl.org>
